Katakuna ni tsubutta me o  
Assari to hodoita miwaku no kotoba  
Nakanaori easy as pie  
Demo nigiru te to te no aida ni futatabi  
Kaze ga hashitta

Koibito ni nozomu koto make me laugh  
Like you used to  
Remember?

I miss the laughter  
Kokoro to karada o musunde ita hazu no himitsu no  
laughter  
Mou anata wa watashi ni hohoende wa kurenai no?

Mirai wo kazasu smoky air  
Hitofuki de kakikesu poketto no joudan  
Kusuguriatta mujaki sa  
Ima ichido omoidashite to negao tsunetta  
Damatteta tte misukashite  
Itazura ka ke-ki de help me out  
Que sera sera laugh and laugh in love  
Tsumi mo koyomi mo chiisana koto wa wasuresasete

Until I smile again

Kokoro to karada wo tsunaide ita hazu no himitsu no
