Kainarasenai nara isso
Sono ookami wo nigashite ageyou
Hakidasenai nara isso
Kirai na mono tabe tsuzukeyou
Kokoro de tonaeta waruguchi no warutsu ga
Kobore ochite shimatta yo
Watch your mouth baby

Kodoku mo kosei mo enemii
Migi ni narae de sodatsu robotto
Kinou mo asu mo kawaranaide iru hou ga nankai de
Kowarete shimau yo

You're just spreading the butter thick as the bible
It won't work for me
Riding a rowboat neat as a robot
It won't work for me

Kibou mo antei mo ittan
Aji wo shimereba mayaku douzen
Kirei na reeru no ue wo
Tadoreba gooru wa muhyoujou
Onaji me onaji hada no iro onaji kutsu
Nikushimi mo ai mo onaji katachi na no?

You're just spreading the butter thick as the bible
It won't work for me
Riding a rowboat neat as a robot
It won't work for me

Magic words are "let me be me"
It'll set you free
