"Rumblefish"

While it is where you could touch
It's easy to lose it too
However people like to fool
Just like two rumblefish
They'll die in an aquarium

How ugly and miserable we could be
On a shiny shiny day
Don't you ignore me
Snarling this sign of catastrophe

Open the door
Open the door
Feel me inside
Feel me inside out
Though I cried
"Nothing so helpless as love"
Said my baby
Poor "my baby"

How many times did you fight
Against bullshit in you
How many dice were cast indeed?
Just like a dirty game
You'll die of your life

You touch me and hurt me with
A heart of stone
Which crumbles itself away
Seems like we're supposed to fight
Seems like there's no end
Just wanna love
Just don't know how

Talk to me now
Talk to me now
Promise me now
Promise me for now
Though I cried
"Nothing so ambiguous as words"
Said my baby

Poor "my baby"

Talk to me now...

Talk to me now...

While it is where you could touch
