[Both]

Slowly but surely I'm falling in love falling in love with
you

[Merle]

Slowly but surely you're winning my heart

[Bonnie]

And you're winning my heart too

[Merle]

Slowly but surely I'm losing my heart

[Bonnie]

And I'm losing my heart to you

[Both]

Slowly but surely my dreams will come true if I spend
my lifetime with you

[Bonnie]

You're just what I wanted

[Merle]

You're just what I needed

[Both]

You're my every dream come true

[Bonnie]

My life's growing stronger

[Merle]

I can't wait much longer

[Both]

I'm falling in love with you

Slowly but surely I'm falling in love...

Yes I'm falling in love falling in love with you
