Paralyzed reaction  
On the crackin' of my tired ol' bones  
The heat i keep catchin'  
Misinformed correction  
Just a dragon's spiteful groan  
If they only knew  
Ten cups of fuel and i'll explain it to you.  
I'm just a dastardly bastard  
A livin' hazard  
I'm the master of gettin plastered  
I know a killer named pricilla

She lives out on the river  
Her quivers make me shiver  
Shakes my tree like king kong  
If they only knew  
I'm a dastardly bastard  
A livin' hazard  
I'm the master of gettin plastered  
Unnatural disaster, cubit sarcastard  
I'm livin' faster than a roller caster.
