Baby got just one shot, two shot, three shots of  
whatever  
you would never turn up on our level  
'cause we-we-we on, we on, we on, we on  
we-we-we on, we on, we on, we on.  
your girl, your girl, her friend,  
my benz don't make her do it,  
If you don't believe me, watch me groove it,  
'cause we-we-we on, we on, we on, we on  
we-we-we on, we on, we on, we on.

Patron, Rose, maybe even ..  
just to be up in my presence baby girl it is a privilege,  
but I'm gone, I'm on Patron, got me out of my bottom,

straight without no chase, I can't feel my face,  
so the DJ turn it up, so I can feel.
