I remember your name crying in the rain  
When you left and closed my door.  
I remember myself in my emptiness,  
Waiting for that special call.  
I am begging you,  
I am begging you,  
I'm begging your eyes to cry.  
I am begging you,  
I am begging you,  
I wish I've never said goodbye.

I remember your name crying in the rain  
When you left and closed my door.  
I remember myself in my emptiness,  
Waiting for that special call.  
I am begging you,  
I am begging you,  
I'm begging your eyes to cry.  
I am begging you,  
I am begging you,  
I wish I've never said goodbye.

Y tu sabes que dijo...

My,my,  
Don't say goodbye,  
Don't say goodbye,  
Don't say goodbye.  
My,my,  
Don't say goodbye,  
Don't say goodbye,  
Don't say goodbye.

I remember your name crying in the rain  
When you left and closed my door.

I remember myself in my emptiness,  
Waiting for that special call.  
I am begging you,  
I am begging you,  
I'm begging your eyes to cry.  
I am begging you,  
I am begging you,  
I wish I've never said goodbye.

Y tu sabes que dijo...

My,my,  
Don't say goodbye,  
Don't say goodbye,  
Don't say goodbye.

My,my,  
Don't say goodbye,  
Don't say goodbye,  
Don't say goodbye.

My,my,  
Don't say goodbye,  
Don't say goodbye,  
Don't say goodbye.

My,my,  
Don't say goodbye,  
Don't say goodbye,  
Don't say goodbye.
