(Verse 1)

You don't smile anymore  
When I come home to you  
We don't even talk much anymore,  
Is it through  
Please understand  
All the feelings lost the truth  
If you're unhappy now  
Please go  
I don't want you to

(Verse 2)

cuz I was never out to hurt you  
Or to deceive you  
You baby one day you'll realize  
and If you wanna go away  
Then I won't mind  
Theres nothing left for me  
To say.

(Chorus)

And if  
If we loved each other once  
then maybe  
We could learn to love again  
so If there is a chance  
To find the love that we lost

Then let's give it one last try

(Verse 3)

Please don't blame  
Because you know that there's no one to blame  
We both have changed through the years  
Nothing stays the same  
There's little hope for us  
Still each night I pray  
That someday our love  
Will somehow find a way

(Verse 4)

cuz i don't even care about

about mr. right  
i don't even care if you see me cry  
cuz i would hate to see us part ways  
to let love die  
So please give us one last try

(Chorus)(2x)

So lets give it one last try (3x)  
Oh one last try
