(Rap)
Girl you got me going crazy, going insane
How you gonna act like things are still the same
You need to understand...
You could've been mine, I could've been yours
But now I'm walking out the door
I can't believe I trusted you
Take a bow for all the things that you put me through
Everytime I was by yourside, girl you kept on lying
And now I'm gone and I'm doing fine (What!)
