Wipe your tears away, here comes the sunny days
No more worries cause the storm is gone I'm here to

stay

I know it's hard for you, the pain you're going through
And by looking at you girl, I feel the hurt you do

Through the good and the bad times, I'll be there
Keep your head up high, don't you ever feel despaired
I'm always here for you and you know this much is true
If you're ever feeling doubt, I'll come and comfort you

Let's live a life of hope and give a love unknown
And together we'll see what the future holds

Uhn jaen gah neun jah yoo rohp kkae nah rah gahl soo
ee ssuh
Geu dae ae noon mool ee kkoom kkoo duhn nahl deul
eun
Nuh moo ah reum dah ool kkuht gaht jjyo

So don't worry anymore, I'll always be by your side
Whenever you call on me, I promise you...
