There's something wrong  
I'm losing everything  
I tried to hard to protect.  
I never knew  
That in my wildest dreams  
That this could be so hard to take.

This hurts 'cause I'll be gone again  
And ignore my name,  
Will be shame.  
This hurts 'cause I'll be gone again  
And then all my ways,  
Will be shame.

I never knew  
That deep inside of me  
A happiness means to leave

This hurts 'cause I'll be gone again  
And then all my name,  
Will be shame  
This here, will be gone again

And ignore my face,  
Will be shame.

I'm laughing with my hope  
(set me in the water)  
And all the life if brings  
(you gotta know my name)  
Don't ever wanna throw your life away,  
Your life away.

I'm laughing with my hope  
(set me in the water)  
And all the life if brings  
(you gotta know my name)  
Don't ever wanna throw your life away,  
Your life away.

I'm laughing with my hope  
And all the life if brings

Don't ever wanna throw your life away,  
Your life away.
