[Both]

If you don't want to run around if you wanna settle
down

I'll take a chance on loving you

[Bonnie]

If you will be my very own

[Merle]

If you'll be mine and mine alone

[Both]

I'll take a chance on loving you

[Merle]

There's a lotta pretty girls in this wide wide world

But none of them should hold a life to you

[Bonnie]

You're the nicest the neatest the cutest and the
sweetest

And I'll tell you what I'm gonna do

[Both]

If you don't want to run around...

[Bonnie]

Did you really mean it or did I just dream it when you
said I was the one for you

[Merle]

Too late to forget it too late to regret it the day that I
fell in love with you

[Both]

If you don't want to run around...
