[Both]

(Just between the two of us we know our love is gone)

[Merle]

People think it's wonderful our love can be so true

You'll never say an angry word no matter what I do

[Bonnie]

And you have so much faith in me you trust me
anywhere

But the reason if they only knew is that we just don't
care

[Both]

Just between the two of us let's live up this fantasy

For we no longer care enough to even disagree

Everybody envies us and the way we get along

But just between the two of us we know our love is gone

[Bonnie]

Wish we could go back again to days that used to be

We fought a lot but even then I know you cared for me

[Merle]

Now we get along so well no teardrops ever fall

But there's no love no anything there's nothing left at
all

[Both]

Just between the two of us...
