Living below in this old sinful world  
Hardly a comfort can afford  
Striving alone to face temptation sore  
Where could I go but to the Lord

Where could I go, oh, where could I go  
Seeking a refuge for my soul  
Needing a friend to help me in the end  
Where could I go but to the Lord

(Where could I go but to the Lord)  
Neighbors are kind I love them  
Everyone we get along sweet accord  
But when I face the chilly hand of death  
Where could I go but to the Lord

Where could I go [unverified]  
Where could I go but to the Lord
