I pop my toes  
To break the silence  
Fight with myself  
Avoid the violence  
I sweat so much  
My hands can't grip the wheel  
I watch you float  
Away

CHORUS:

You've got me in a trance  
I stare right through the wall  
You've got me in a trance  
I hardly move at all  
You've got me in a trance  
I barely breathe at all  
You've got me in a trance  
You've got me in a

I wear the make-up  
You wear the pants  
I wear a smile  
You throw a glance  
Do what it takes  
To keep that match alive

CHORUS:

You've got me in a trance  
I stare right through the wall  
You've got me in a trance  
I hardly move at all  
You've got me in a trance

I barely breathe at all  
You've got me in a trance  
You've got me in a...  
Trance

You've got me in a trance  
I stare right through the wall  
You've got me in a trance  
I hardly move at all

You've got me in a trance  
I barely breathe at all  
You've got me in a trance  
You've got me in a

You've got me in a trance  
I stare right through the wall  
I can't feel my hands  
I'm waiting for your call  
A picture from the dance  
I put into the wall  
You've got me in a trance  
You've got me in a

Photographs are time machines  
Photographs are time machines  
Photographs are time machines  
Photographs are time machines
