It feels I'm drowning  
In a sea of hope.  
Check one more day  
Upon the wall.  
New color never seemed  
To be before  
And now it's time  
To take a fall  
Smashed my controls  
Oh crashing into you,  
My inner workings override.  
I can't know  
That I will not think again.  
The combinations slide.

Here I lie awake  
Paralyzed  
Here I lie again  
So warm  
Ahhwoooo  
Oooohhh....  
So warm...

So very planetary influenced

Pull me the gravity it thrives  
Day counting see you  
Coming back again  
I wait for Tuesday to arrive  
Hold me, wrap me, blanket me again  
Your caramel-emerald-honey eyes  
Space walking, super-talking alien  
The conscience opens up the skies

Here I lie awake  
Paralyzed  
Here I lie again  
Here I lie awake  
Paralyzed  
Here I lie again  
So warm  
Ahhwoooo

Oooohhh....  
So warm...
