[Krayzie]

We so thuggish ruggish (the motherfucking war is on)
You better suit up and do like Krayzie Bone
Cause the motherfucking war is on
What you gon' do what you gon' do do

Say nigga we marching stompin in the big black boots
With my niggas in the fatigue suits ready to shoot
Running with the AK-47
Niggas trying to survive they ain't trying to go to
heaven
Motherfuckers shooting they ain't even asking
questions it's these
Young ass niggas they straight up thugged out
They killas like that little soldier boy cause we livin in
the killin field
Tombstone soldier rest in peace a real warrior
Nigga been ready for war we are
The motherfuckers on the street with the heat
Knockin them hoes off they feet
Say boy it's a jungle out there
Get a couple casualties every year
The goal is to stay alive
The mission is to make money
The enemy the police
We gotta bust back at 'em make some motherfucking
examples out them assholes
We're not even concerned strike a match drop it on the
gas
And let the motherfucker burn burn burn baby burn
Army strategic and I pledge allegiance to the 12 gauge
mossberg
I'm that nigga Mr. Sawed-off Leatherface got a big gun
in your face
Behind that bush and when they roll by we jump out the
bush make a push
Bustin why they runnin buckin everything comin murda
y'all ain't said nothin
Got a couple of niggas for that
Stay strapped from the front to the back and the extra
clip off in my jacket

so when I run out I restack it and pap it some more
We ready for war

chorus:

So what nigga pull your gun
That's exactly how we play
Screaming bloody murda mo all day
The buckshots spray daily all day

[Snoop]

Money makes murders sex lies crimes fo-fives
Nines heaters jackers killa
Cap peelers and drug dealers
Snitches snakes bitches fakes
Bad breaks and heartaches
Give and take shake and bake
Boy I gots to stack my plate
Bad news travels fast
Real mashers always mask
Give a dog a bone send him on he bound to come
home with some cash
Get you shit stack your chips

She might be cute but listen here my nigga that don't

[Layzie]

It's a war It's a war (there's a war going on)
When the was pop off where the fuck you gon be
In the front or the back city under attack
Every nigga from the nine nine front line marchin with a
tech nine nigga
where my thugz at
If you scared go to church motherfucker
matter fact while you at it say a prayer for me
I'm prepared to heat
Heat a nigga in the streets with a goddamn beat my
heat lose to me
Khakis suits and fatigues
Nigga dressed to kill
Nigga yes I will put a slug in you
Nigga what you wanna do
Cause I'm ready to shoot
And my high tech boots got me feeling bulletproof
I'm a superman nigga GI Joe like the wind blowing
through a niggas area
More dead enemies I count up the merrier
And you ain't heard no collaboration scarier
I'm a walkin nightmare and I'm born to die
It's a war goin on what's happening
If you disrespecting my family it'll be hell to tell the
captain
Fuck all you playa haters and you po-pos
Fuck all you politicians this war
Dedication to the criminal nation
Let the real thugs even the score

chorus
