Four days of rain and I'm feelin' okay
Sun back again, it's a beautiful day
Fallin' the water has pounded my eye
Sun in the window's got me feelin' just fine

Feelin' good, well I knew I would, whatever I do
Feel so high and I don't know why but that's all right too
Walkin' around in a good old town just a thinkin' of you
I hope you think of me, too

Breeze in my face and the blue sky is clear
A beautiful mornin', Lord, I wish you were here
Diggin' it easy , I'm takin' it slow
Enjoyin' the sunshine, enjoyin' the show

Feelin' good, well I knew I would, whatever I do
Feel so high and I don't know why but that's all right too
Walkin' around in a good old town just a thinkin' of you
Well, I hope you think of me, too

Feelin' good, well I knew I would, whatever I do
Feel so high and I don't know why but that's all right too
Walkin' around in a good old town just a thinkin' of you
And I hope you think of me, too
