

Flying Circus "On Tuesdays"

Visit "[On Tuesdays](#)" on MotoLyrics.com

Jonny comes and says he's going to a place where
things are better
Hope he doesn't miss us much, promised to send a
letter
Jonny comes and says he wants to go and see what
happened to Rodriques
And left without even saying goodbye, never even said
he's leaving us
Buttercups and chocolate shakes and honeypie and
fruitcakes
Toasted cheese and no one listens to
Rock 'n roll on Tuesdays like these
Jonny comes and says "Look around, I've found
nothing to keep me from leaving"
Says if I still write songs I must write a song about it,
and I could...

Jonny comes and says he will come and visit us as soon
as he is settled in
But in his eyes I see that he will never really do it
Buttercups and chocolate shakes and honeypie and
fruitcakes
Toasted cheese and no one listens to
Rock 'n roll on Tuesdays like these
