So here we go...  
One by one...  
Marching on...  
It has begun...

Capture, take over, now's our chance  
hold strong our front, then we'll advance  
their force, too strong, we'll surely fail  
no hope for now, they will prevail  
but we'll march on...  
We'll march on...  
But we'll march on...  
March on...

In the face ..  
Of those ahead...  
We won't give up...  
Their pride we'll shred..

Capture, take over, now's our chance  
hold strong our front, then we'll advance  
their force, too strong, we'll surely fail

no hope for now, they will prevail  
but we'll march on...  
We'll march on...  
But we'll march on...  
March on...

Swords up....on my count..Three Two One  
Swords up....till it settles and we've won

March on...

March on...

Capture, take over, now's our chance  
hold strong our front, then we'll advance  
their force, too strong, we'll surely fail  
no hope for now, they will prevail  
but we'll march on...  
We'll march on...

But we'll march on...  
March on..
