I know  
Days will come and go  
Maybe I'll grow old  
But I will die

For now  
Is it worth it to be sad  
If it's harder to be glad  
To be alive

But the trouble I have caused  
I wonder  
Where do I belong  
Is it here

Believe in dreams  
You love so much  
Let the passion of your heart  
Make them real  
And tell  
All the ones you love  
Anything and everything you feel

Laugh about the past  
And secretly  
Wish we could go back  
And save the child

As I look around this room  
Seeing worried eyes that know  
It's time we cannot buy  
Was this worth the time to write  
Was this worth the time to write

Believe in dreams  
I believe in dreams  
I believe in dreams  
I believe in you

Believe in dreams  
You love so much

Let the passion of your heart  
Make them real  
And tell  
All the ones you love  
Anything and everything you feel

Believe in dreams  
Believe in dreams
