Ura said there plainly seems to be  
More standards in humility  
And this all makes perfect sense to me  
Except we can keep them can we

We are all guilty  
Not being all we should be  
Look at your ownself and see

His voice cut through the war in my head  
Screaming something I could understand  
And somehow he knew me when he said...  
Is there anyone who's desperate...  
For anything more than hell

Is there anyone who's desperate...  
for anything more than this

We are all guilty  
Not being all we should be  
Look at your ownself and see

We are all guilty  
I am so guilty

Nobody move  
I want that person to hear me  
Yes, I'm talking to you  
If you don't believe than feel me  
Witness on your arms  
Blood in your hands receeds

I breathe...  
I breathe...
