"Hell For You"

You think you can just walk away
And leave behind those years of pain
Well I've got some news for you to taste
And I think it's time we saw your face

I can't believe my ears now
What did you say?
You sit back in that chair 'cause
I'm not thru yet

I went thru hell
I went thru hell for you
You're coming thru for me
I went thru hell
I went thru hell for you

At first it all seemed crystal clear
But in time my best thoughts disappeared
I've got them back now and I'd be mad
If I let you take what I have

I can't believe my ears now
What did you say?
You sit back in that chair 'cause
I'm not thru yet

I went thru hell
I went thru hell for you
You're coming thru for me
I went thru hell
I went thru hell for you
I went thru hell
I went thru hell for you
You're coming thru for me
I went thru hell
I went thru hell for you
Hell-hell-for-u

Do you know how long I have cared
For you when you were just so scared
And now it seems you don't need me

I don't think this concerns your needs

I still cannot believe it
What did you say?
Sit your ass back in that chair
I'm not thru yet

I went thru hell
I went thru hell for you
You're coming thru for me
I went thru hell
I went thru hell for you
You're coming thru for me
I went thru hell
I went thru hell for you
I went thru hell
I went thru
Hell-hell-for-u
