I was so pathetic
That I let it take
Control of me
It made me sick
It made me tick
Did not know what to do
But now I'm back
And I'm on track
And all I have to say is
Here we are and
Its our time and now we
Finally found you

I can't wait for you to
Here we are won't disappear
I know that you will
Here we are

I did the crime
And all the time
That goes along with it
I left my baggage
For the scavengers
And now I'm free
And now I'm back
And I'm on track
And I cannot explain
Except we are here and
Its our time and now we
Finally found you

I can't wait for you to
Here we are won't disappear
I know that you will
Here we are

Cover me, cover me, cover me
All the way, all the way, all the way
Hover me, hover me, hover me
I don't care, I don't care

I can't wait for you to
Here we are won't disappear
I know that you will
Here we are

Here we are
Here we are
Here we are
Here we are
