(Nicula/Bojescu)

My baby's gone and I'm alone
And the leaves turn brown in the town
What can I say? I hope someday
She'll return to me just to see

My living is sad 'cos all I had
Now is far away from her way
But I keep her smile and just for a while
I would like to see her on my knee

Babe I'll be not the same
Baby please stop the train
Come to me just to see
That you are in my love's stream

CHORUS REPEAT

Where are you now? I'm feeling down
I can't find the dove of your love
Don't leave me long you know I'm strong
But my heart is not like a stone

CHORUS REPEAT
