Well I drop my head again
I try not to sink in
This world I made from you
For you

And I dream you're standing here
And everything's so clear
Yeah we're all the same
Then I wake up screaming

You wore me out
I can't take this

Maybe you would know my name
Maybe we could be the same
Maybe you would take me in
Maybe, maybe

I've been trying for so long
Just to feel like I belong
This world is draining me
And you still don't see it

You won't come back
I can't take this

Maybe you would know my name
Maybe we could be the same
Maybe you would take me in
Maybe, maybe, maybe
Do you understand
Do you understand
Will you take my hand
My hand

Maybe you would know my name
Maybe we could be the same
Maybe you would take me in
Maybe, maybe, maybe, maybe
Maybe
