Get me out of here again tonight
I'm feeling all alone
If I don't start seeing things just right
I'll lose you all

Tell me what I'm suppose to do
Can't feel what I'm going through
Tell me am I failing you
Tell me, tell me, tell me, tell me

Why
Can't you even hear me now
Why
Can't you even see me here
Why
Tell me won't you help me now
Why
Am I all alone

Well I cut myself again tonight
Not feeling anything
Have another drink and I just might
Never leave

Tell me what I wanna hear
How can you even be so sure
Someday you will see I swear
Tell me, tell me, tell me, tell me

Why
Can't you even hear me now
Why
Can't you even see me here
Why
Tell me won't you help me now
Why
Am I all alone

I'm dying, dying alone here
I'm dying, dying alone
I'm dying, dying alone here

Get me out of here tonight
I'm feeling all alone
