You really should accept
This time he's gone for good
He'll never come back now
Even though he said he would
So darling dry your eyes
So many other guys
Would give the world I'm sure
To wear the shoes he wore

(Chorus)

Oh come on - smile a little smile for me Rosemarie
Where's the use in crying
In a little while you'll see Rosemarie
You must keep on trying
I know that he hurt you bad
I know darling don't be sad

And Smile a little smile for me Rosemarie Rosemarie

I guess your lonely now
That's coming to an end
But darling only now
Are you free to start again
Lift up your pretty chin
Don't let those tears begin
You're a big girl now
And you'll pull through somehow

(Chorus)

Ba ba ba ba ba ba ba ba
Ba ba ba ba ba

Smile a little smile for me Rosemarie Rosemarie
