Looking from a window above
It's like a story of love,
Can you hear me?
Came back only yesterday,
Moving further away,
Want you near me

Chorus:

All I needed was the love you gave,
All I needed for another day,
And all I ever knew - only you.

Sometimes when I think of your name,
And it's only a game,
And I need you
Listening to the words that you say,
It's getting harder to stay,
When I see you.

All I needed was the love you gave,
All I needed for another day,
And all I ever knew - only you.

(Bada bada...)

All I needed was the love you gave,
All I needed for another day,
And all I ever knew - only you.

This is gonna take a long time
And I wonder what's mine
Can't take no more.
Wonder if you'll understand,
It's just the touch of your hand
Behind a closed door.

All I needed was the love you gave,
All I needed for another day,
And all I ever knew - only you.
