Thank you for being
Such a friend to me;
Oh, I pray a friend for life.
And have I ever told you
How much you mean to me?
Oh, you're everything to me.
I'm thinking all the time,
How to tell you what I feel,
I'm contemplating phrases...
I'm gazing at eternity;
I am floating in serenity...

And I am so lost for words.
And I am so overwhelmed.

Please don't leave just yet.
Can you stay a moment please?
We can dance together;
We can dance forever.

Under your stars tonight,
We'll live and breathe this dream.

So close your eyes,
But don't dream too deep.
And please pass me some memories.
And when I fall you're underneath
A thousand broken hearts,
Carried by a thousand broken wings.
A thousand broken wings.
