Circle encircles the earth
Chance and joyess break his heart
His innocent arm moves to save me and I am spared
His beautiful arm is bloody and cut off
His heart ripped out to show me he loved me
But I wouldn't believe him
He did all that he could
I still would not believe him

I left his arms empty and tied
Out stretched for me until he died
I left his arms empty and tied
Outstretched for me until he died

No man shows greater love
Than when a man lays down his life
For his beloved

I left his arms empty and tied
Outstretched for me until he died
I left his arms empty and tied
Outstretched for me until he died

Here I'm alive
And I don't have the right
And he gave me the right
Costing him his life
New mercy's in the morning

I believe
What if I believe you now
Could it ever change this now
Forgive me, believe me
Please come back tonight

I believe
What if I believe you now
Could it ever change this now
Forgive me, believe me
Please come back to life
Come back to my life

I believe
What if I believe you now
Forgive me, believe me
Please come back to life
