"New Horizon"

So you're tired but you're alive
So open up your eyes and
you can get your sleep when you are dead
Kill the clock inside your head
Bring your normal seas to the edge and watch it drown
in new horizons
New horizons
You said I'd only have to wait until I die but that's in no
time.
How did we come to thinking this was funny?
Jeering and laughing at the dying,
while we're riding the light in You.
Wait, you said I'd only have to wait until i die, new
horizons.
There is no such thing as time inside this moment, no
sun rising (summarizing?)
Wait until i die, new horizons.
Wait until i die, new horizons.
Sin with a conquest, lifeless.
Sin with a new quest
Here's a voice for the voiceless,
and a song for the souless life of sin.
Wait- you said I'd only have to wait until I die
There is no such thing as time (dying?) inside this
moment no sun rising
Wait until I die, new horizons.
Wait until I die, new horizons.
When times keep going wrong when we go right
When the times keep going wrong when we go right
Wait.
You said I'd only have to wait until I die
There is no such thing as time inside this moment no
sun rising
Wait until I die, new horizons.
(oh) wait until i die. new horizons.
(oh, with me?) wait until i die, new horizons.
There is no such thing as time inside this moment, no
sun rising.
Wait until I cry
When the times keep going wrong when we go right
We go right.
