I still recall the taste of your tears  
Echoing your voice just like the ringing in my ears  
My favorite dreams of you still wash ashore  
Scraping through my head til i don't want to sleep  
anymore

You make this all go away  
You make this all go away  
I just want something  
I just want something i can never have

You were always the one to show me how  
Back then i couldn't do the things  
that i can do now  
This thing is slowly taking me apart  
Grey would be the color if i had a heart

Come on tell me

You make this all go away  
You make this all go away  
I'm down to just one thing  
And i'm starting to scare myself

You make this all go away  
You make this all go away  
I just want something i just want something i can never  
have

In this place it seems like such a shame  
Though it all looks different now,  
I know it's still the same  
Everywhere i look you're all i see  
Just a fading reminder of who i used to be

Come on tell me

You make this all go away  
You make this all go away  
I'm down to just one thing  
And i'm starting to scare myself  
You make this all go away

You make this all go away  
I just want something  
I just want something i can never have

I just want something i can never have
