Tina's eyes are clear chrysolite  
How can we not notice her  
Now they only stare at her burns  
Her small voice so full of honesty

Take care of my loves  
I can't hold on  
Keep me alive while I die

They can't not notice her sickness  
Like their own dung sprayed with perfume  
They try not to hear her speaking

But they can't hear anything else

Take care of my loves  
I can't hold on  
Keep me alive while I die

I missed my chance  
Send one more  
I'm not wasting this  
I missed my chance  
Send one more chance  
I'm not wasting this one more chance
