That night I felt like I'd become something treasured,
different

Can I tell you a story as we dance while the sun starts to
bleed?

Song of songs, love is calling, daughter wake up from
your sleep

Refined, I'll become the most dazzling precious
treasure
I'll be treasured over all the earth

Bearing the gift of a new heart
Patience ablaze I'm slowly burning

Refined, I'll become the most dazzling precious
treasure
I'll be treasured over all the earth
Refined, I'll become the most dazzling precious
treasure

I'll be treasured over all the earth

I am in awe and in shock, I'm in love and given away
I'm reserved with these words

Can I tell you a story as we dance while the sun starts to
bleed?

Trees rejoice with the wind here, hallelujah Yeshua

Tonight I've become the most dazzling precious
I am treasured over all the earth

Just look at what He's done, how He's laying down His
life
Take this life, oh, most dazzling precious treasure

Tonight I've become the most dazzling precious
treasure
I am treasure over all the earth
