ame ni furarete kaerou
shigoto kirareta'n da kyou
kimi wa ya sagureta kao de katte iu'n da ne
ashita kara doushiyou tte
tameiki to iradachi de
ai mo mirai mo nee karasu ki na no?

I know it's hard boy to accept the rules have changed
Now I'm the one who's making sure the bills are paid
Did you ever think perhaps I feel the same
No one else to blame
Your attitude's just lame

Just because you're fed up
yattsu atari wa doku yo out on me
Just because you're fed up
sekai wa arinomama Don't you see?
Just because you're fed up
yattsu atari wa koku yo out on me
Just because you're fed up, fed up, fed up, fed up, fed
up
Don't you take it out on me
Just because

"How'd you expect things to be between us?
Feels like I've been locked up, put in handcuffs
Now I'm caught up in no mans land
Girl don't you understand

I'm trying to put things together baby
On the grind on the hustle daily
Situation is driving me crazy
This weren't the plan"

omoikomu no wa jiyuu demo
sono sei de fujiyuu na tsubasa
kokoro ni sukuu mamono wa
dare demo nai
anata desho

Just because you're fed up

yattsu atari wa doku yo out on me
Just because you're fed up
sekai wa arinomama Don't you see?
Just because you're fed up
yattsu atari wa koku yo out on me
Just because you're fed up, fed up, fed up, fed up,
fed up
Don't you take it out on me
Just because

Just because you're fed up
yattsu atari wa doku yo out on me
Just because you're fed up
sekai wa arinomama Don't you see?
Just because you're fed up
yattsu atari wa koku yo out on me
Just because you're fed up, fed up, fed up, fed up,
fed up
Don't you take it out on me
Just because
