Well, you're my friend, that's what you told me
And can you see what's inside of me
Many times we've been out drinking
And many times we've shared our thoughts
But did you ever, ever notice, the kind of thoughts I got
Well you know I have a love, a love for everyone I know
And you know I have a drive to live I won't let go
But can you see it's opposition, comes arising up
sometimes
That it's dreadful antiposition, comes blacking in my
mind

And then I see a darkness
And then I see a darkness
And then I see a darkness
And then I see a darkness
And did you know how much I love you
Is a hope that somehow you, you
Can save me from this darkness

Well I hope that someday buddy
We have peace in our lives
Together or apart
Alone or with our wives
And we can stop our whoring
And pull the smiles inside
And light it up forever
And never go to sleep
My best unbeaten brother
This isn't all I see

Oh no, I see a darkness
Oh no, I see a darkness
Oh no, I see a darkness
Oh no, I see a darkness
And did you know how much I love you
Is a hope that somehow you
Can save me from this darkness
