I know a lot about him
I don't know shit about him sometimes
He calls me "my girlfriend"
But girlfriend doesn't mean the best friend, does it?
He says it's a guy thing
A guy thing tidies up his mess
hopefully, he'll be back home
At the end of the day we're only lonely people

Can't believe you chose your friend over me
Just because I'm not a guy
Can't believe you chose new friends over me
Just because I'm not a guy
Is it just because I'm not a guy?

Too bored to be his secret
I ain't all his like he ain't too
Love bites... tell me about it
Got bitten by the bedbugs, that's enough for me, yeah

Can't believe you chose your friend over me
Just because I'm not a guy
Can't believe you chose new friends over me
Just because I'm not a guy

Can't believe you called your ex over me
Ran away from your "in"
Can't believe it's all or nothing when you love me
Just because I'm not a...

Soulmate, Insider, stranger, Where do I go?
I'm a princess incognito
I'm a lady on the back cover of "Blue Valentine"

Anywhere he can cut me off, oh-no~
Anytime he can shut me out, oh-no~

Can't believe you chose your friend over me
Just because I'm not a guy
Can't believe you chose new friends over me
Just because I'm not a guy

Can't believe
Can't believe it
Can't believe
Can't believe it
I'm a princess incognito
