A vow we made last spring  
Vacancy that time brings  
Lucky charm and fortune cookie  
It doesn't matter  
It doesn't matter

Too little money  
I know it's not funny  
We conflict for a stupid thing  
But it doesn't matter  
It really doesn't

I have someone to care for  
and something I don't wanna lose  
Feeling that you're not alone  
That's what it's all about  
That's what it's all about

The rumors about you  
Days I try to find a clue  
Taboo words and jinx  
you're attached to  
It doesn't matter  
It doesn't matter

The distance you keep from us  
Our future we don't discuss  
A love song I postpone writing  
It doesn't matter  
It really doesn't

I have someone to care for  
and something I don't wanna lose  
Feeling that you're not alone  
That's what it's all about  
That's what it's all about
