Kare no senaka wa mitakunai
Hidoku surechigau hi mo watashi wo mite
Nigete nigete mo hanarete yuku dake

Futari no egao ga kieru toki
Nigai namida ni nijimu muchi no kotoba
Kizutsuite kizutsukete chikazuita no ka na?

Sorry, my dear
I'm trying hard to trust you
Sorry, my dear
Please don't be mad

Subete kukurenai nara iranai wa
Hito wa shireba shiru hodo utagau mono
Hitotsu no uso ni nomareta sen no shinjitsu

Sorry, my dear
I'm trying hard to trust you
Sorry, my dear
But I can't take no more lies

Why did you hide my toothbrush?
Where did you hide my picture?
Why did you ask me not to call you last weekend?
All the questions piled up unsolved
Brought me an awful delusion
Are you ever gonna stop lying to me?

I'm sick of being a good girl
I'm sorry

Itsuka sono hi wo sorasazu ni
Mayou kokoro no subete wo uchiakete ne
Fukusazu sugite umaku aisenai no nara

Sorry, my dear
I'm trying hard to trust you
Listen, my dear
Are you my trust?
