I bang the drums the drums til your ears go numb
I bang the drums the drums pa rum pa pum pum (x4)

I bang the drums every night and day
I bang the drums yes these drums for DJ's to play
I bang the drums yes these drums
No I cannot quit
Dr. Flynn Adam's on the drums operatin these hits
Dr. Flynn Adam on the drums operatin hits
Yo! It's like bees to the hive
And they dippin for honey
And it's all the way live and I'm hittin these dummies
Upside the head and across the face
Upside the head now move and sway
Upside the head and through the soul
Take in the breath of the drumroll

I bang the drums the drums til your ears go numb
I bang the drums the drums pa rum pa pum pum (x4)

I bang the drums from here to Jericho
I bang the drums in ears in stereo
So gone with the wind I'm gone in 60 seconds
Gone baby gone and there ain't no half steppin so

Keep on rockin keep on rockin now (x4)

I bang the drums the drums til your ears go numb
I bang the drums the drums pa rum pa pum pum (x4)

Hey!

Keep on rockin keep on rockin now (x4)
