Oh dear, what can I do?  
Baby's in black and I'm feeling blue  
Tell me, oh what can I do?

She thinks of him and so she dresses in black  
And though he'll never come back  
She's dressed in black

Oh dear, what can I do?  
Baby's in black and I'm feeling blue  
Tell me, oh what can I do?

I think of her and she thinks only of him  
And though it's only a whim  
She thinks of him

Oh, how long will it take  
Till she sees the mistake she has made?

Dear, what can I do?  
Baby's in black and I'm feeling blue  
Tell me, oh what can I do?

Oh, how long it will take  
Till she sees the mistake she has made?

Dear, what can I do?  
Baby's in black and I'm feeling blue  
Tell me, oh what can I do?

She thinks of him and so she dresses in black  
And though he'll never come back  
She's dressed in black

Oh dear, what can I do?  
Baby's in black and I'm feeling blue  
Tell me, oh what can I do?
