I quit my job, ain't got no money  
Seems I have to leave this town  
Packed my bag, went to the station  
Board the train that's southern bound

Tell Mama  
And all the folks back home  
Sometimes a man just feels  
He's got to make it alone

Tell Mama  
Why I'll be leavin' so soon  
Because this life I live  
Has got me singin' the blues

Nothin' to do, that's why I have to go  
Seems no use in hangin' 'round  
I can't stop now, the ticket's [Incomprehensible] in  
hand  
Board the train that's southern bound

Tell Mama  
And all the folks back home  
Sometimes a man just feels  
He's got to make it alone

Tell Mama  
Why I'll be leavin' so soon  
Because this life I live  
Has got me singin' the blues

Tell Mama  
And all the folks back home  
Sometimes a man just feels  
He's got to make it alone

Yeah, tell Mama  
Why I'll be leavin' so soon  
Because this life I live  
Has got me singin' the blues
