Don't ask questions  
Beg forgiveness  
Make ammends  
Walk don't run  
Gooooood it's gettin hard to breeeeeeeathe  
Remember mother's song  
I remember mother's song  
I remember mother's soooooooooong  
Do you hear me noooooow  
Do you hear me noooooooooooooow  
Mooooooootherrrr  
Learn your lesson  
Make decisions  
Poke holes on the top  
So i can breathe  
Keep the lid on tight  
(tonight)  
Remember mother's soooong  
(oooooooooh)  
Remember mother's soooooooooong  
(oooooooooooooh)  
Remember mother's soooooooooooooooooooooooooong  
I remember mother  
Remember mother

Remember mother  
I remember motheeeeer  
I remember mother  
Remember mother  
I remember motheeer  
On an isle that's far way  
There's a place i long to play  
On a magic singing street  
I know more than u can know  
But u never ask to hear  
So my voice is gone away  
It's been muted by my tears  
Yeah - ooooh mother

I remember mother  
Remember mother  
I remember motheeeeer  
I remember mother  
Remember mother  
I remember motheeer  
Haha  
I remember mother  
Remember mother  
I remember motheeeeer  
I remember mother  
Remember mother  
Do u hear me now  
My mother, my mother  
Do you hear me now  
Oooooohhhh mother  
Oooooohhh mother  
Oooooooohhh mother
