This is the last day of our freshmen summer
Text books and essays wait around the corner
Saying goodbye now to our best friends
We'll try if we can to get home on weekends

Oooh Oooh

I gotta run now
Go home and take a shower
We all can meet up
At your house in half an hour
I can't get ready any faster
We better make it quarter after

Runnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
Packed up, and I'm ready to go now

Oooh Oooh

Now we'll all meet up and go our own ways
Probably won't see each other the same ways
But no matter what happens
We'll never forget all the times we've had together

Runnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
Packed up, and I'm ready to go now

All the days we've been traveling together
I won't even look over my shoulder
Till I find a cure for getting older

Runnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
Packed up, and I'm ready to go now
All the days we've been traveleing together
I won't even look over my shoulder
Till I find a cure for getting older

Oh Oh Oh Oh A oh oh oh oh A oh oh oh oh
