Crazy Mary is a slow girl who looks up to no one
Would do anything for a cold one
Wishes she could find her way home
Got the look on her face and her stares like a ray gun
As we walked by everyday and
I wish there's something I could do for her

Maybe if I took a little time to talk
Then she'd heal a little if she wants to
She can run but let's teach her how to walk away now
I'll shake a little if she wants to, she'll laugh a little if
she needs to
There's a key to the door that she's hiding behind

She watches the world pass her by like a freight train
And they all call her the same name
Laughin' as they point and stare at her
So she crys out to God up in Heaven
Been prayin' since she was 11
For Him to send someone to meet her there

Maybe if I took a little time to talk
Then she'd heal a little if she wants to
She can run but let's teach her how to walk away now
I'll shake a little if she wants to, she'll laugh a little if
she needs to
There's a key to the door that she's hiding behind

And knows of the thoughts and her dreams
And ideas she's got and contains inside
She's so broken apart and her heart is still lookin'
For somewhere to feel alright

And knows of the thoughts and her dreams
And ideas she's got and contains inside
She's so broken apart and her heart is still lookin'
For somewhere to feel alright, feel alright

Maybe if I took a little time to talk
Then she'd heal a little if she wants to
She can run but let's teach her how to walk away now
I'll shake a little if she wants to, she'll laugh a little if

she needs to
There's a key to the door that she's hiding behind
