I met a girl named Tara
And she lived in the heart of america
She like black caddies
Listened to puff daddy
Danced until her legs were sore

She worked around the corner
At a diner with the grouchy owner
And her boyfriend Shady, dates another girl named
Katie
He loves her definitely maybe

Don't think I can take it
Wake me when it's over
Seems so far away
I wish that it was closer
I see you every day
I'm too scared to go over
I wonder what she'd say
I barely even know her

How much longer
Will this keep getting stronger
I wonder what she's doing when I'm singin' myself to
sleep
Cause he's a faker
So see ya later
I wonder when you'll realize that she means a lot more
to me

I saw you in the hallway when my last class was just
over
It was friday, school was out tonight
Everything seems to be alright
I said,
"Yo are you going to the party at the cove?"
She said,
"He is picking me up six again, and I don't wanna
disappoint my boyfriend."

How much longer
Will this keep getting stronger

I wonder what she's doing when I'm singin' myself to
sleep
Cause he's a faker
So see ya later
I wonder when you'll realize that she means a lot more
to me

And she's staring at his picture hanging in her locker
She's telling all the girls about all the things that he
bought her
I saw what really happened all those times he went for
water
When we were at the movie theater watching Harry
Potter
He had his hands on
Every single girl he laid his eyes on
Hate to break it to you, he's a pylon
And even when he kissed her
He was looking over, staring at her sister

How much longer
Will this keep getting stronger
I wonder what she's doing when I'm singin' myself to
sleep
Cause he's a faker
So see ya later
I wonder when you'll realize that she means a lot more
to me
