Doot do doo do doo do do doo
Doot do doo do doo do do doo
Doot do doo do doo do do doo

Oh Donna, won't ya pick me up tomorrow?
I need to get out of this place, I'm in and get my life in
order
Let's go far away from here and not come back until
thecoast is clear
I'm fallin', thinkin' of you, I count the days

And all the funny things we do, I'm so sorry now you
ignore me
Tried to explain, but it's such a long story
Saw you in the lobby, now you never call me
You smiled, then pretended that you never saw me

Oh Donna, won't ya pick me up tomorrow?
I need to get out of this place, I'm in and get my life in
order
Although this world, just might fall apart
I've got enough in my heart to get us started
Come with me, oh, I'm beggin' you please
Or just say goodbye, cause this is the end of me

Doo doo, doot doo doo doo
Doot doo doo doo
Doot doo doo doo, doo doo

Oh Donna, won't ya pick me up tomorrow?
I need to get out of this place I'm in and get my life in
order
Although this world, just might fall apart
I've got enough in my heart to get us started
Come with me, oh, I'm beggin' you please
Or just say goodbye, cause this is the end of me
Or just say goodbye, cause this is the end of me
