I've tried not to let anyone in until now
I guess conversations never allow
And I've been feeling like I'm on some sort of marry-
go-round
And I know, I know, yeah I know, I know

And I've tried not to let anyone in until now
It took time for me to figure it out
And when I feel like I'm complacent with my
Head in the clouds
And I know, I know, yeah I know, I know

And every time I wonder what's real you make me
feel...

You make me feel like a lavender sweater
And I'm caught in bad weather,
In my Volkswagon Jetta
You make me feel like a complete work of art
When I'm just falling apart
A really nice piece of art

Dear God, (art, art, art...)
I hope You hear me (art, art, art...)
Ã”

And I've tried not to let anyone in until now
Misunderstandings are an easy way out
And I've been feeling all this pressure just to figure it
out
And I know, don't know, yeah I know, don't know

And I know that if I can stay strong I can make it
And try harder when I just can't take it (can't take it)
And when everything around me feels so broken and
jaded (broken and jaded)

And I know, I know, yeah I know, I know
And every time I wonder what's real you make me
feel...

You make me feel like a lavender sweater
When I'm caught in bad weather

IN MY VOLKSWAGON JETTA

You make me feel like a complete work of art

When I'm just falling apart

A really nice piece of art

(Art, art, art...)

It's kinda of warped, but it's picking up slowly

I don't know, but I can if you'll show me

I guess sometimes it takes more than just fake
conversations

To feel like I know that

It's kinda hard when I'm planning for something

To get across this whole without jumping

I guess sometimes it takes more than just false
information

To find out who we are

You make me feel like a lavender sweater

And I'm caught in bad weather

IN MY VOLKSWAGON JETTA

You make me feel like a complete work of art

When I'm just falling apart

A really nice piece of art
