I know a place, where I can go when I'm low.
Down... to your house; down to your house
I will go, when I'm low.

I know a face, who I can show my true colours.
To your arms, into your arms,
I will go, when I'm low.

Cuz' total life forever, will never be enough, no...
Cuz' total life forever, will never be enough, no...

I've seen it all,
To your house, down to your house
I will go, when I'm low.
They took it all, and to the
To your arms, into your arms,
I will go when I'm low.

Cuz' total life forever, will never be enough, no...
Cuz' total life forever, will never be enough, no...

Singularity is here to stay,
So go down, go down, go down, go down, go down,
down low
Let's take it slow.

Singularity is here to stay, for you and me.
So go down, go down, go down, go down, go down,
down low
Let's take life slow. (x3)

I know a place, where I can go when I'm low.
Down... to your house; down to your house
I will go, when I'm low.

I know a face, who I can show my true colours.
To your arms, into your arms,
I will go, when I'm low.

Cuz' total life forever, will never be enough, no...
Cuz' total life forever, will never be enough, no...
